German Ed Tech Company Mersys enters Pakistani market

LAHORE: With the vision of providing quality education for everyone, everywhere, Mersys enters the Pakistani market with a partnership with ExD. With this partnership, ExD will provide Mersys' state of the art education management platform, mpus, to schools, colleges, universities and vocational training institutes across the country. As the population of Pakistan grows every year, so do the challenges of access to education. With over 60% of Pakistan's population still in rural areas, systems like mpus aim to bridge the gap between the qualities of education offered in urban and rural areas. -PR
